

Certification Matters

Kristal Thomson Joins TBLS Board

By TBLS Staff

TBLS is excited to announce Kristal Thomson as the newest Board member. Her responsibilities include overseeing the organization's finances, enhancing the value of Board Certification and increasing its public awareness.

"It's an honor to join the Board of one of the best legal certification programs in the country," said Thomson. "I am also extremely proud of my Board Certification as it's one of the highest distinctions a Texas attorney can achieve. During my tenure, I will work hard to encourage Texas lawyers to strive for this special designation of excellence in the practice of law as they too will see the rewards for themselves and their clients."

"It's an honor to join the Board of one of the best legal certification programs in the country,"

Kristal Thomson has been Board Certified since 2009. She is a Shareholder at San Antonio-based firm Langley & Banack and is one of the only 10 lawyers in San Antonio elected as fellow to the prestigious American Academy of Matrimonial Lawyers. Thomson participates in a variety of bar activities but takes pride in her work with the Family Law Section of the State Bar. She is the treasurer of the Family Law Council and serves on the Council's Legislative Committee.

She earned her undergraduate degree from the University of Texas at Austin and her juris doctorate from St. Mary's University School of Law.

"In addition to being Board Certified in Family Law for almost a decade, Kristal's extensive experience in serving the State Bar's Family Law Section as well as various committees and groups make her an excellent addition to our Board," said Leo Figueroa, Executive Director of TBLS.

The Board Certification program is administered by a 12-member board appointed by the President of the State Bar of Texas. All members are appointed to three year staggered terms of office, and are eligible for reappointment for one additional term.
