

Certification Matters

Videos Featuring 40-Year Attorneys

In honor of our 40-year milestone, we interviewed several of our pioneers to share advice for young attorneys, changes in the industry, importance of Board Certification and more. We hope you enjoy these videos as much as we did in putting them together. Enjoy!

“It legitimizes your efforts in a specific area.”

Vernard Solomon

Advice for New Attorneys

In this video, elite lawyers share useful tips and advice for new attorneys based on their experiences and historic careers.

“Find an area of the law that you’re interested in. Because if you’re going to do this, you better enjoy doing it.”

David Schulman

Changes in the Legal Field: 1975 – 2015

The legal profession keeps changing due to different reasons. Listen to these experienced attorneys discuss the significant changes they’ve witnessed in the past 40 years. [View video](#)

“I was spending \$10,000 – \$12,000 a year maintaining a library. Now I spend \$160 a month for two lawyers to have the access to pretty much the same library all online.”

Vincent Perini

The Impact of Board Certification

Board Certification not only provides the public a method of identifying attorneys with particular expertise but also helps attorneys become better lawyers. [View video](#)

“Supposedly they would certify us because we were good, we became good because we were certified.”

John A. Yeager

The Importance of Board Certification

Why is Board Certification important? Here it from the experts!
